

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
SHERMAN DIVISION

The following cases are set for final pretrial conference and trial scheduling on Monday, August 6, 2012, at the times shown on the attached list. **All cases will be heard in the United States Courthouse, 7940 Preston Road, Plano, Texas. Dates for jury selection and trial will be determined at this time. Change of pleas will be taken at the final pretrial hearing unless other arrangements have been made through the deputy clerk. Any motions for continuance are due no later than 5:00 p.m. Tuesday preceding the final pretrial conference. Otherwise, the defendant and defendant's counsel will be expected to appear on the date stated above.**

Requested jury instructions and exhibit and witness lists in criminal cases shall be delivered to the court at least **TWO** business days prior to the scheduled trial date. Joint final pre-trial orders and requested jury instructions for civil cases should be delivered to the court **by the date set out in the Scheduling Order**. In civil cases, for each proposed instruction or question to be submitted to the jury, the parties shall provide the court with the applicable legal authority that supports the submission. In addition to filing the proposed jury instructions in the clerk's office, the parties shall provide this court's chambers with their instructions via email or on a diskette (Word Perfect compatible).

All counsel in civil cases shall exchange exhibits prior to trial. All exhibits which are without objection shall be offered into evidence, together with an index of exhibits, immediately prior to the commencement of trial. All proposed exhibits that are objected to by any party may be presented to the court prior to the trial, and a ruling on such exhibits made prior to the presentation of evidence, or counsel may elect to offer the exhibits during the presentation of evidence.

SIGNED this the 16th day of July, 2012.

NOTICE TO DEFENDANTS IN CRIMINAL CASES

For any defendant who requests and is given a future trial setting and who later chooses to change his plea to guilty, a plea agreement must be executed by the defendant and a notification of the defendant's desire to change his plea given to the court no later than three weeks before the trial setting in order for the defendant to receive a three level reduction at sentencing for acceptance of responsibility. The court has adopted this deadline for defendants to sign plea agreements and provide the court with change of plea notifications in order to provide an incentive for those defendants contemplating changing their pleas to do so at a date that is sufficiently in advance of the trial setting for the court to then advise counsel in back-up cases that are set for trial on the same day that their case will now be the first one called for trial or for the court to schedule other matters. This policy should enable the court to more efficiently utilize its time both in and out of the courtroom.
